## COMMISSIONERS' REPORT

---

To the Citizens of Grafton County :

Your Commissioners herewith present their report together with the report of the Treasurer, Auditors, Superintendent, Jailer, Clerk of Court, Solicitor, Sheriff, Chaplain, Physician and Farm Bureau.

The number of weeks' board furnished County Inmates at the County Farm including the House of Correction and Jail for the year 1936 was 5,287 weeks, 4 days where the number for 1935 was 6,291 weeks, 1 day or a decrease of 1,003 weeks, 4 days, which accounts for the increase in the per capita cost of County Poor taken care of at the Farm, \$6.37 per week for 1936 compared with \$5.10 per week for 1935. This, however, includes all expenses of Hospital, Doctors' fees as well as burial expenses.

Taking care of the County Poor not on the Farm including Old Age Assistance, Needy Blind and Boarded Children for the year 1935 cost \$162,516.21 gross. On this amount we received reimbursement of \$67,728.61 from the State of New Hampshire, Towns and other Counties, which made the net cost \$94,787.60 for 1935. The total cost for the year 1936 was \$139,361.73 gross and on this amount we received reimbursement of \$25,525.04 from the State of New Hampshire, Towns and other Counties, making a net cost of \$113,836.69 for the year 1936. Although, there was a decrease of \$23,154.48 in the gross cost for the year 1936 over 1935, due to the difference in reimbursement the net cost for 1936 was \$19,049.09 more than for 1935. Therefore, although there was a decrease in the cost of taking care of the Poor off Farm for 1936, the cost to the taxpayers of Grafton County shows a substantial increase.

We wish to call your attention to the Summary in the report showing the number of cases and cost covering Old Age Assistance, Needy Blind and Boarded Children.

In October of this year the County was offered a PWA grant of 45% of the total cost of building an addition to our present jail, which has been over-crowded for several years. Due to the terms of this grant, it will be possible to complete the jail addition well within the \$20,000 bond issue authorized by the 1935 Delegation. These bonds we were able to sell at par with interest at 1%, which makes the project very favorable to the County of Grafton. Work on this jail addition was started about November 1st and should be completed about April 1, 1937.

The Commissioners wish to extend their thanks to Mr. and Mrs. J. Earl Andrews, Superintendent and Matron, and all other employees for the faithful and efficient manner in which they performed their duties.

The Commissioners further wish to extend their thanks to the various County and Town officers and all others for their assistance in carrying on the work of the County.

The Commissioners extend to the people of the County of Grafton and the public in general a hearty and sincere invitation to visit and inspect the Grafton County Farm. The former are especially urged to do so as it is their Farm and an institution in which they alone should be interested.

Respectfully submitted,

GEORGE A. PUSHEE,  
FRED PARKER,  
JOHN GADD,  
Commissioners.

The year 1936 brought much extra labor and expense, due to the damage caused by the spring floods. Several weeks time with men and teams was required to repair these damages before the spring planting could be done. The large island was completely covered with a deep layer of sand, and required an extra outlay of fertilizer and seed to bring it back to a state of cultivation.

Pasture improvement has been carried on, and begins to show the amount of labor expended.

One half of the new farm cottage was finished, ready for occupancy, and much needed applications of paint were applied to the hospital and different parts of the Almshouse. Nearly all of this labor was furnished by inmates and House of Correction men.

New linoleum floors were laid in the hospital thus improving the appearance and making them easier to care for.

Despite the various set-backs the farm records show a fair profit.

As in previous years, kind friends have donated magazines, flowers, toys, candy and many other articles which have been utilized for the benefit and enjoyment of the family. To all of these friends we extend thanks.

We also thank the Commissioners, Physician, Chaplain and employes for their kind cooperation during the year.

Respectfully submitted,

J. EARLE ANDREWS, Supt.  
ANNE M. ANDREWS, Matron.

We hereby certify that we have examined the foregoing accounts of the Superintendent of the County Farm for the year ending December 31, 1936, and find them correctly cast and properly vouched.

FRED PARKER,  
JOHN GADD,

## CHAPLAIN'S REPORT

---

The work of a minister at the Grafton County Farm is most interesting and very much worth while. This is a parish all its own. Worship services have been held every other Sunday afternoon in the Chapel for those who could attend and pastoral visitation and supervision followed these services in the hospital and the alms house. These services have been well attended. Mr. and Mrs. Andrews have been most cordial and cooperative in making the necessary arrangements for these services. Mrs. Little deserves special mention for her untiring efforts as pianist. Her choir does well. She meets regularly for rehearsals and "sings" before the services. At special seasons of the year fellow-ministers have joined me in holding services in the jail and in the house of correction.

Christmas is always a happy time at the County Farm. This year there was a special program for the folks in the hospital under the direction of the nurses at which we assisted in singing. The regular Christmas in the chapel was celebrated around two most beautiful trees loaded with gifts for all present. Besides the Christmas story read by the pastor the program was entirely musical.

Besides the twenty-six worship services held in the chapel during the year there were ten memorial services for the dead.

All year I have tried to change the dark to dawn:

"God with his million cares  
Went to the left or right,  
Leaving our world; and the day grew night.

Back from a sphere He came  
Over a starry lawn,  
Looked at our world; and the dark grew dawn.

Sincerely,

GILBERT W. WIETING.

## REPORT OF COUNTY PHYSICIAN

---

To the Commissioners of Grafton County:

I herewith submit my report of the clinical affairs of the county hospital for the year ending December 31, 1936.

Under the management of Superintendent and Mrs. Andrews the hospital has completed another successful year. I particularly commend them for the high standard of work and for the harmony that always prevails there.

The hospital has been free from epidemic and contagious diseases. A large percentage of deaths was due to senility or to conditions wherein old age was a contributing factor.

Twenty-eight of the old beds and mattresses have been replaced by new ones. This was greatly needed and will add to the comfort of the patients.

Besides those in the hospital many patients have been attended in the Almshouse, Jail and House of Correction. Patients are admitted to the hospital only on the advice and consent of the Commissioners.

Our staff of nurses and orderlies remains the same as last year. Mrs. Christina Clark is our head nurse. Miss Beth Pushee, who is one of our day nurses, is also an experienced roentgenologist. Miss Emily Applebee is our night nurse. Our orderlies are Mrs. McDonald and Mr. Young.

I gratefully acknowledge the valuable counsel of the Commissioners, the cooperation of the management and the assistance of all connected with the work of the hospital.

Respectfully submitted,

E. M. MILLER,  
County Physician.
